## EDUCATION

- **Bachelor of Engineering in Electronics And Telecommunication** 2021 - 2025  
Modern Education Society Wadia College OF Engineering, Pune  
◦ CGPA: 6.34/10.00 (Till 6th Semester)
- **HSC , Class XII** 2020 - 2021  
Late Jyoti Janolkar Junior College, Akola, Amravati, Maharashtra  
◦ Grade: 90
- **SSC , Class X** 2018 - 2019  
Fatima Convent High School, Paratwada, Maharashtra  
◦ Grade: 77.80

## PROJECTS

- **Portfolio Website** Nov 2023 - Dec 2023 [\[G\]](#)
  - Built a responsive portfolio website showcasing projects and skills using HTML, CSS, JavaScript, and ReactJS.
  - Emphasized browser compatibility and performance optimizations.
- **Movie Database Management And Booking System** Feb 2024 - Mar 2024 [\[G\]](#)
  - Developed a full-stack movie management system with Node.js, Express.js, and MySQL. user authentication, CRUD operations, and booking functionality.
  - Optimized for scalability and performance, and ensured cross-browser compatibility.
  - Used HTML, CSS, JavaScript for the front-end and MySQL for data storage.
- **Portable and Efficient Automated Pipe/Wire Cutting System** Aug 2024 - Sep 2024
  - Developed a portable automated system for cutting pipes and wires, integrated with IoT technology.
  - Designed to enhance precision, productivity, and portability in various industrial applications.
  - Created a user-friendly and reliable solution to improve time-efficiency compared to traditional cutting methods.
  - Conducted rigorous testing and optimization to ensure the system meets industry standards.

## SKILLS

- **Programming Languages:** Java, C, JavaScript
- **Development:** HTML, CSS, Bootstrap, JavaScript, ReactJS, Node.js, Express.js
- **Databases:** MySQL, NoSQL (MongoDB)
- **Version Control:** Git, GitHub
- **Other Skills:** REST API Design, Browser Compatibility, Web Application Optimization

## EXPERIENCE

- **TECH-A-INTERN** [\[G\]](#) 09 Sep,2023 - 10 Sep,2023  
WEB DEVELOPMENT and Designing Intern Pune, India  
◦ Designed and developed interactive web interfaces using HTML, CSS, Bootstrap, and JavaScript.

## CERTIFICATIONS

- **Full Stack Web Development - Udemy** 2023
- **Learned the fundamentals of full-stack development using Node.js, Express.js, MongoDB, and React.**
- **Java Programming - CodSoft** 2024

## EXTRA-CURRICULAR ACTIVITIES

- Volunteered in Go Green Social Welfare , MESWCOE Pune
- Participated in a Blood Donation Camp , MESWCOE Pune
- Member of the Social Welfare and Development Committee, MESWCOE Pune
